

Captains License Requirements

OUPV (Six-Pak) Requirements:

- 360 Days of on the water experience. 1 day is achieved by a minimum of 4 hours underway and only one day can be logged for every calendar day.
- 90 of the 360 days must be outside the "boundary" line used for licensing purposes.
- 90 of the 360 days must be within the last three years for recency purposes
- All experience must be obtained after the age of 13
- 50% of the experience must be obtained after the age of 16

As well as the above sea-time requirements, all candidates for an OUPV license must fulfill the following general requirements.

- 18 Years of age
- 360 Days of sea-time
- 90 (of the 360) days of sea-time within the last three years
- Physical and drug test
- A valid CPR/First-Aid certification
- **Confident Captain/Ocean Pros course completion certificate**
